

## Add the 911 Form as an Icon On Your Mobile Phone or Tablet

Having a dedicated icon for the Holland Medi Center Emergency / Urgent Care page will allow you to go straight to it with a single tap without having to first open the web browser.

Just tap the icon, and boom – you’ll instantly see it displayed in your preferred browser!

You can easily create direct-link icons to the Holland Medi Center Emergency / Urgent Care page on both Apple iOS and Android phones. Just follow the steps below that correspond to your device and browser.

# If you have an iPhone or iPad

---

1. Visit the website in your Safari browser.
2. Tap the Action button (the square button with the arrow pointing upwards).
3. Scroll down and tap Add to Home Screen.
4. Give the shortcut icon a name that will allow you to quickly recognize what the icon is for.
5. Tap the Done button. The icon should now be on your Home screen.

# If you have an Android Phone or Tablet

---

If you have an Android device, the procedure for creating an icon shortcut to your favorite website will depend on which mobile web browser you're using.

Follow these steps if you're using the stock Android browser (the one that looks like a "globe"):

1. Visit the website in your Android browser.
2. Tap the three vertical dots to the right of the address bar to display the browser's menu.
3. Tap Add to Bookmarks.
4. Tap the down-arrow in the "Add to" field and select Home screen from the drop-down menu.
5. Tap the title that's displayed in the "Label" field and give the shortcut icon a name that will allow you to quickly recognize what the icon is for.
6. Tap OK. The icon should now be on your Home screen.

# If you are using Google Chrome

---

1. Visit the website in your Chrome browser.
2. Tap the three vertical dots to the right of the address bar to display the browser's menu.
3. Tap Add to Home screen.
4. Give the shortcut icon a name that will allow you to quickly recognize what the icon is for.
5. Tap Add.
6. That's all there is to it. From now on you'll be able to go straight to your favorite(s) with a single tap!
